# A Yearbook Dedication To Our Friend And Classmate Fahimy Drovinaud

SEPTEMBER 4, 1973

NOVEMBER 4, 1990

On a mild Autumn day, we saw a fragrant flower, Fahimy, break off from the branches of the tree of life. She has taken off alone with the holy spirit for the great voyage on the sea on infinity.

Pleasant and caring, she captured the admiration of all those who knew her. Now she has fallen like an autumn leaf; with her have gone memories, pain, and hopes. Alas . . . she has disappeared for ever and we shall not see her again . . . a grief deep and abiding.

We, the West Side Family, will always keep her in our hearts. Her memory will definitely linger on.

## The Master Teacher ....

knows that we can miss many opportunities by failing to admit error.

knows that life takes on deeper meaning when excellence is our intention.

realizes that using friendships to influence others is neither healthy nor professional.

knows what we need most today is confirmation.

# Faculty

knows that follow-up feedback is an absolute necessity.

knows that giving assignments to students requires at least four steps.

knows that preventive management dictates that we take action in any negative situation.

knows the majority of students who are discipline problem feel they don't belong.

# YEARBOOK MESSAGE FOR CLASS OF "1991"

Dear Seniors:

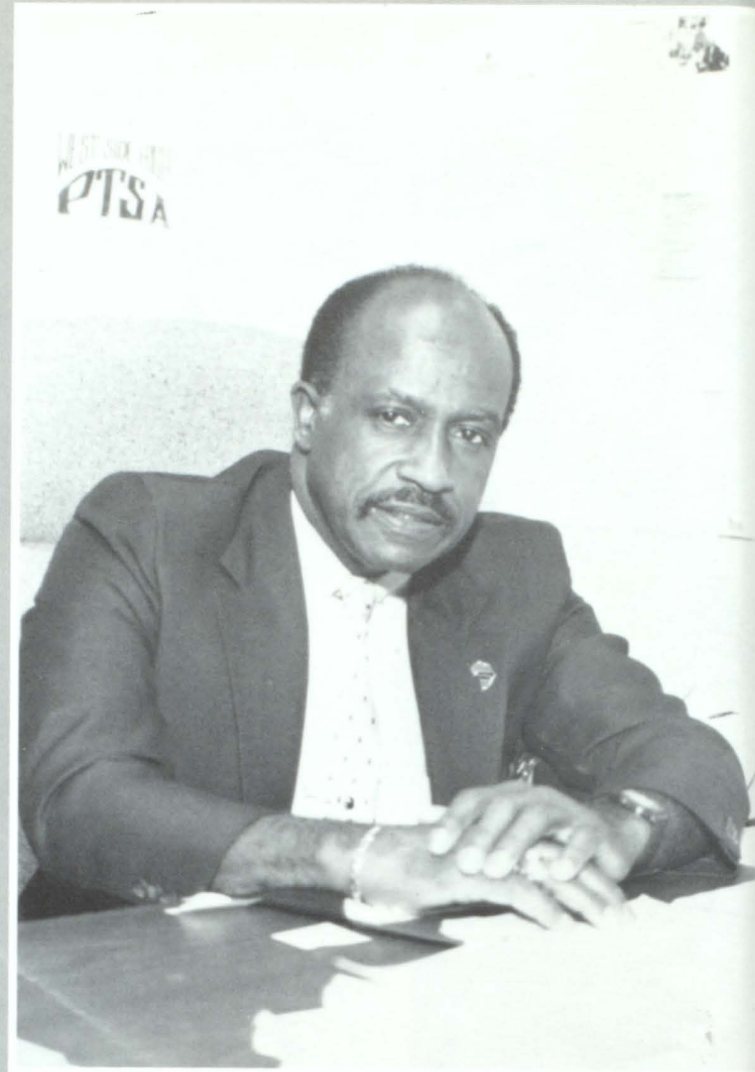

My message to you the Graduating Class of June 1991, is taken from the poem "Words of Wisdom", Author Unknown.

Risk ...

To laugh is to risk being the fool.  
To weep is to risk appearing sentimental.  
To reach out for another is to risk involvement.  
To expose feelings is to risk exposing your true self.  
To place your ideas, your dreams, before a group is to risk their loss.  
To love is to risk not being loved in return.  
To live is to risk dying.  
To hope is to risk despair.  
To try is to risk failure.  
But risks must be taken, because the greatest hazard in life is to risk nothing.  
The person who risks nothing has nothing, and is nothing.  
They may avoid suffering and sorrow, but they cannot  
LEARN ... FEEL ... Change ... GROW ... LOVE ... OR LIVE.  
Chained by their attitudes, they are slaves, for they have forfeited their  
freedom.  
Only a person who risks is free.

Love and Peace,  
*Nathaniel L. Potts*

**Amaleasia Hatten.** "I am very proud of myself for being an honor graduate. I have worked very hard during the entire four years I have attended West Side High, and I have been on the honor roll during that time. I have received numerous awards in math, science, volunteer work, and tutoring. My parents have influenced my life the most because they were there to tell me the difference between right and wrong. They gave me a push whenever I needed it — telling me to set my goals high and strive to achieve them."

**Jo-Ann Browne.** "Being an honor graduate was not an easy task for me. It meant studying and not going out at times, but it was worth it. I have been on the honor roll for four years now. I have received several awards — the National Forensic League Degree of Honor, Who's Who Among American High School Students, and most recently, the New Jersey Distinguished Scholar Award. My favorite subject is trigonometry. This course have challenged me to say, "Yes I can". My peers motivate me to do my best. I really try to learn from their mistakes."

**Rabu Gary.** "It is very challenging being an honor student. I have been on the honor roll for three years. I have received approximately 30 awards. My mother has influenced my life the most. She has constantly kept me on my toes and she is always giving me a sense of reality."

**Joseph Hernandez.** "I attended Catholic school until my sophomore year at West Side. I have been on the honor roll since that time. I have received the Rutgers Scholars' Award and the New Jersey Distinguished Scholars' Award. Two teachers who have had a great influence on my life are Mr. Buzzerio and Mr. Alexander. I would like to thank them for all their guidance and assistance."

My girl friend, Dorothy Rocourt has influenced me the most. Being a successful student herself, she is a good role model for me. I enjoy competing with her."

**Cassandra Clark.** "I have been an honor student throughout my elementary and high school years. I have received over 30 awards during these years for academic achievement. My favorite subject is computer programming because of its challenge. My mother has had the greatest influence on my life. She has always pushed me and helped me to gain confidence."

**Didier Drovinaud.** "Being an honor graduate feels great. It makes all of the hard work seem worthwhile. Because I strived to reach my ideal goal throughout my high school years, I was able to maintain honor roll grades for two years. My favorite subject is physics because I will need the knowledge acquired in this course to continue in the field of computer science. My mother has had the greatest influence on my life because she has always pushed me to do a little better."

**Jamillah Muhammad.** "I have received numerous awards extolling my academic achievement. I have been on the honor roll since elementary school. I hope to use the knowledge I acquired in my favorite subject, mathematics, to further my career as an accountant. I have always strived to be number *One* and ahead of the rest — thanks to my English teacher, Ms. Dinkins. She has taught me to never underestimate my goals and achievements."

**Patricia Henry.** "I am very honored to be graduating with honors. I have been attending West Side High School for three years, and have been on the honor roll all of these years. I have been awarded the New Jersey Distinguished Scholars' Award. I hope to use my favorite subject, mathematics, in my future career."

## ALL I REALLY NEED TO KNOW I LEARNED IN KINDERGARTEN

Most of what I really need to know about how to live and what to do and how to be I learned in kindergarten. Wisdom was not at the top of the graduate school mountain, but there in the sandpile at Sunday school. These are the things I learned:

Share everything.  
Play fair.  
Don't hit people.  
Put things back where you found them.  
Clean up your own mess.  
Don't take things that aren't yours.  
Say you're sorry when you hurt somebody.  
Wash your hands before you eat.  
Flush.  
Warm cookies and cold milk are good for you.  
Live a balanced life—learn some and think some and draw and paint and sing and dance and play and work every day some.  
Take a nap every afternoon.  
When you go out into the world, watch out for traffic, hold hands and stick together.  
Be aware of wonder.

Great  
 Celebration

Seniors

Showtime at the Apollo  
Showtime at the Apollo was fabulous! The audience packed the auditorium in full force, ready to boo & cheer all the amateur night contestants. The show's host "Sinbad" aka, **Algernon Hall**, kept the audience sparkling with his bubbly personality. "KiKi Sheperd" aka **Denise Dolce** graced the West Side state with her ambience and beauty while "Sand-man" aka **Benjamin Hill** kept the crowd in stitches with all sorts of antics while escorting the "not so lucky" contestants off stage.

# Activities

The special guest performances by En Vogue (Tamisha Muhammad, Fatimah Muhammed, Keysha Wyne and Roxanne Tappins) had the guys barking. While "Keith Sweat" aka Lamar Duncan had the ladies swooning!! But the real show was when "The Jamaican Massive" battled "Big T" and "The Around the Way Girls". The "Around the Way Girls" came out on top and "The Jamaican Massive" tied for second place with dancers "Lewis and Footloose." All in All, it was a fun-filled evening and everyone enjoyed themselves! Look out Apollo, West/Side might be taking over!!

## Drama Club

(L-R): Mr. Carrigan, (Advisor), Yasin Bryant, Ketal Gandhi, Cheryl Demeus, Fabiola Eugene, Pete Evans, Angel West, Stacey Lee, Maritza Guadalupe and Kareem Ali.

The Art and Literary Magazine Club is a showcase for our youngsters who can write and/or draw.

The Drama Club is designed to give students an opportunity to develop an awareness of their own creative possibilities. The club uses scene and character study, improvisation, and dramatic reading of poetry as tools to unlock that potential. The club has initiated what it hopes will become an annual event, "Black Poets Society" which will showcase students interpreting the great poetic works of African and African-American poets.

## Distributive Education

**Distributive Education** seeks to provide the kind and amount of instruction to meet the vocational needs of individuals engaged in distributive occupations through a cooperative school training program which combines part-time paid work experience with practical in-school instruction thus enabling young adults to be well qualified to earn a living and take an active part in community life.

The **Peer Leadership Program** is designed to use the positive potential of upper-classmen to guide first-year students through their transition to high school. The program allows the senior class peer leaders to develop important leadership and mentoring skills.

The **Forensic Team** develops speech skills through contests at various high schools in New Jersey in such categories as Poetry, Prose, Drama and Debate.

The soccer team began the fall season as a young, fairly inexperienced group of players. What the team lacked in age and experience, they made up in spirit and dedication. The team began the season by losing against an aggressive team, Lakeland, and under the leadership of head coach **Stephen Stalks**, assistant coach **Dexter Davis**, and captains **Neil Kelly**, **Prince Heron**, the team went on to win four of its next eight games.

One of the most exciting victories of the season came against Essex Catholic. West Side defeated Essex Catholic by a score of 6 to 1. **Jones Bardoville** and **Sherwin McPhoy** scored two goals each for West Side and **Neil Kelly** scored one goal and **Raymond Lewin** scored one goal and **Ed Beckford** had one assist. **Rohan Cassells** had four saves playing as goalie.

# The Three "S's" Serving,

The 1990 Volleyball Team suffered a difficult season. We worked, practiced and played hard, but too often came up short. We are new, but willing, new, but determined and will put the 1990 season's results behind us. We are looking forward to next year, knowing that we have the skills and experience to take on all teams.

Our girls are to be congratulated for their efforts and next year look for every Rough-Rider to be an active supporter of the new and improved volleyball winners.

# Lady Riders

To start the season, the Lady Riders were the Newark Christmas tournament champs with a record of (6-0). Throughout their season Clifford J. Scott was the team's biggest and only upset!

The team also had many individual stand-outs. Anita "The Roll" Dickens, one of Newark's top players, a four-year starter, leads the team in rebounding with a (19) avg. and points with (29) avg. Dickens has also reached her 1000 points (+Plus). She was awarded a plaque at a recent New Jersey Nets' game for "Athlete of the year". In the fall, Dickens will attend Shaw University in North Carolina, on a scholarship. Sabruya "Lefty" Mitchell is an all-around good player with 227 point this season. She leads the team in assists with a total of 495. Mitchell was chosen "Most Valuable Player" in the Christmas tournament. She was a great addition to the Lady Riders in the '89-90 season. Although they were beaten by Clifford Scott, Mitchell maintained her excellent play, averaging a total of 13.8 points against Scott and shutting down her opponent to 7pts. Mitchell is only a sophomore with great basketball skills.

Denise Anthony, sophomore, forward, will be an all-star player in due time. Anthony averaging 12.6pts. a game, is a very good offensive player. Tanya Preston is a pure shooter, her jumpshots are like water. Preston on an average of 8.1 ppg, balances the team on offensive team's best "jumpshot shooter".

Janna Bey, a freshman, is also a starter, who leads the team in excellent defense plays.

Charlotte Freeman, "Lo Guard", the sixth lady off the bench, is a superb free-throw shooter who moves quickly up and down the court.

Yvette Warren, who's a sophomore, is seventh off the bench and has great leaping abilities to bring down a few rebounds.

Roslyn Mitchell and Charmaine Mark are next season's tops. Marks, with her rebounding skills, and Mitchell, who's already on the Varsity Team, should take the floor next season.

According to Coach Baker, the girls' team looks very promising for next season. It was an above-average season. The team did make it to the Championship round in Group 3 meeting with Clifford J. Scott- only to endure an upset. A (10-1) lost!

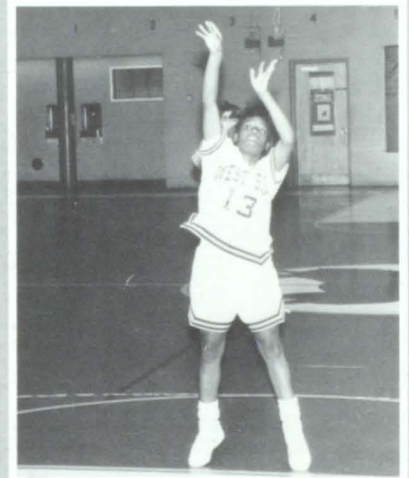

Despite losing the best all-around player, Anita Dickens, who made it to the all-star game, Laquanna Bethal, Banica Gregory, and Courtney Pugh are improving their game.

Kneeling Sabriyah Mitchell, Laquanna Bethel, Janna Bey, Charlotte Freeman, Roslyn Mitchell and Tanya Preston. Standing: (Coach) Bara Baker, Dawan Collins, Laronda Scott, Charmaine Mark, Anita Dickens, Denise Anthony, Courtney Pugh, Alberta Warren and (Asst. Coach) Marty Williams.

# It's Just The Beginning

The 1990 edition of West Side's Junior Varsity team includes 12 proud enthusiast players (mostly freshmen). The season record was 7-11 with the most exciting game being against West Milford where we lost by one point, 54-53. Star performers were Keith Kettles, Kwame Weems and Paul Smith.

Looking forward to next year will be freshman Keith Kettles, a good all-around athlete and point guard. Keith Bryant, Cornelius Smallwood, Jerry Kearney, and Alphonza Powell will also be returning as J.V. players.

# Pulling It Together

The 1990-91 Basketball season was a surprise! When I came to West Side, I didn't know what to expect. I put my strategies in effect and they seemed to work fast.

Our 17-9 record was the best at West Side in ten years or more. The team was runner-up in the Newark Holiday Tournament, advanced to the quarter finals of the Essex County Tournament, and also made it to the second round of the State Tournament.

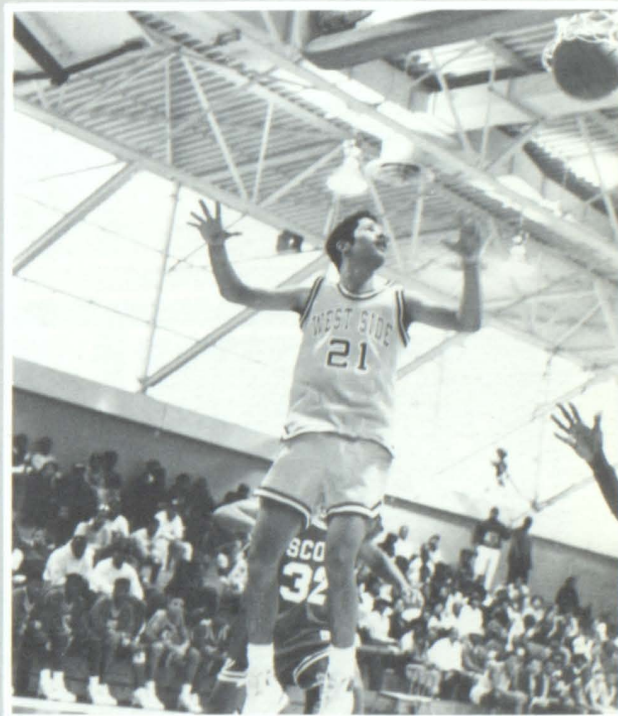

I felt that the team reached its peak too soon and could not maintain the winning streak as shown in the early part of the season. If we continue our winning attitude, we will definitely be listed as one of the best teams in Essex County and the State of N.J.

Thanks to the seniors — **William Gilliam, Dwayne Cannady, Tuawan Floyd and Terrance Mingo** for their leadership and hard work. Good luck in college, fellas!

**Coach Dexter Davis**

**Luis Quinones**

Forward #21

This Sophomore also known as "Droop", is the teams top scorer averaging 18 ppg. He is 98% from the line and 85% from the floor.

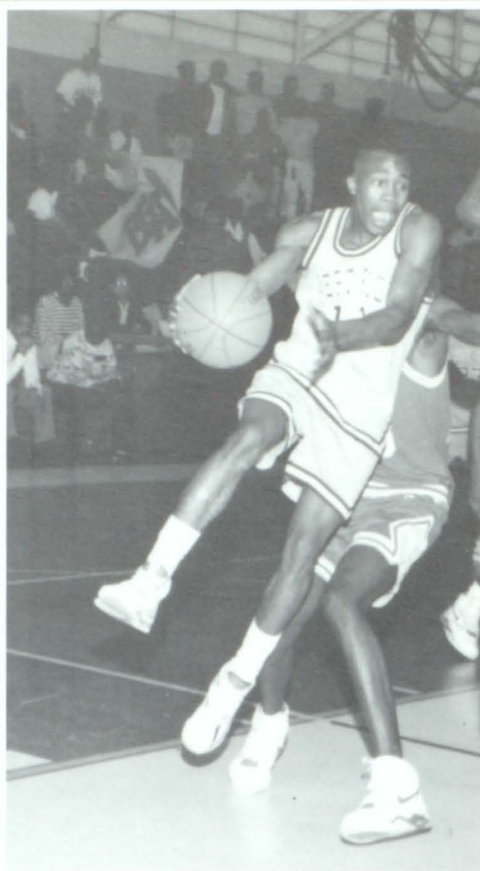

# A Positive Attitude Is

**Terrance Mingo**  
Senior Guard #44

Mingo has great rebounding skills and good offensive moves under the boards. Has been on the team 4 years.

**Dwayne Cannady — Captain**  
Senior Guard #11

Also known as "Bhuda", this 5'7 Guard leads the team in assists and steals. Now in his 4th year, "Bhuda" plays very superb defense. No one can break-away from this 5'7 Guard.

**William Gilliam**  
Senior Forward #32

"Snatch" is what they call him ... This 6'0 senior leads the team in rebounding (13). He is 79% from the floor and 89% from the line, averaging 16 ppg.

**Tuawan Floyd — Captain**

Senior Guard #23

Known to the team as "Tee", now in his 4th season with the Riders, this 5'6 Guard has great leaping ability and excellent basketball skills averaging 16 ppg.

## Track Team's Ticket To Success

Hard Work  
And  
Determination

The 1990-91 Track Team is in the midst of a rebuilding year. The seniors on the team are excellent athletes, but the team is in a youth movement.

**Marco Moody** has been one of the premier shot putters in the North Jersey area. Some of his honors are, Northern Hill Conference Champion, Essex county Champion, and 3rd at the State Sectional Meet.

**Denise Dolce** has developed into an all-around runner. She has competed in hurdles, 800 runs, and sprint.

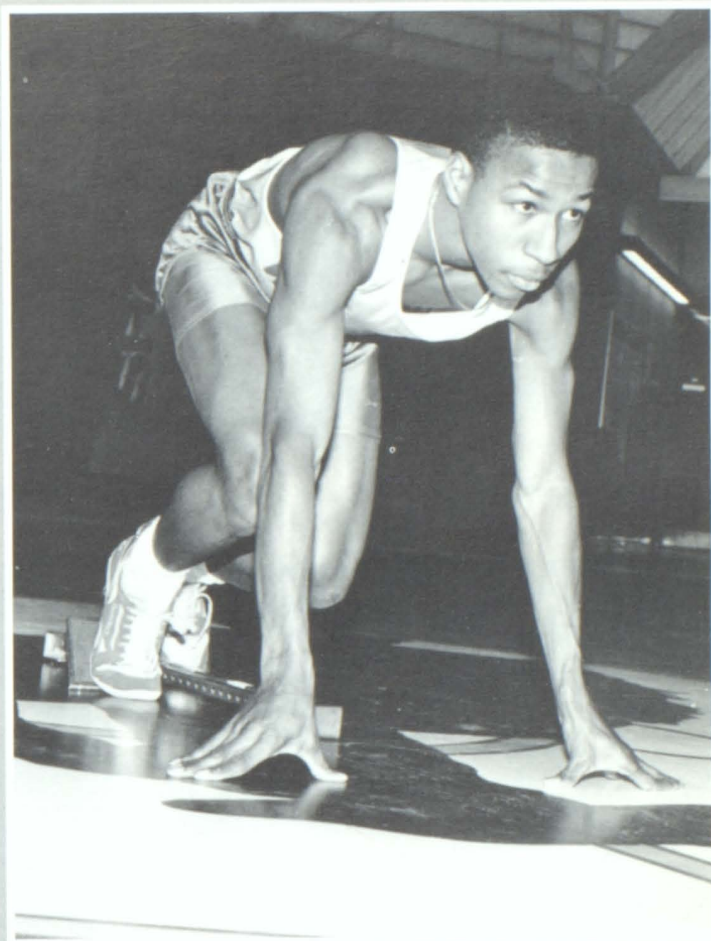

**DoBryan Reece** has been the backbone of the boys' team. This talented 400-800 meter runner is always the bright spot at most track meets. The above three are the co-captains and leaders of the team. They are excellent role models and leaders. The Riders have an excellent group of young runners that will keep West Side in the spotlight for years to come.

## "I Meet God In The Morning"

"The earth is the Lord's and the fullness thereof" ... It speaks of His greatness, it sings of His love ... And each day at dawning I lift my heart high ... And raise up my eyes to the infinite sky ... I watch the night vanish as a new day is born ... And I hear the birds sing on the wings of the morn ... I see the dew glisten in crystal-like splendor ... While God, with a touch that is gentle and tender ... Wraps up the night and softly tucks it away ... And hangs out the sun to herald a new day ... A day yet unblemished by what's gone before ... A chance to begin and start over once more ... And all I need do is to silently pray ... God, help me and guide me and go with me today.

The Everlasting Light  
Those we love must someday pass  
beyond our present sight ...  
must leave us  
and the world we know  
without their  
radiant light.  
But we know  
that like a candle  
their lovely light  
will shine  
to brighten up  
another place  
more perfect ... more divine.  
And in realm of Heaven  
where they shine  
so warm and bright,  
our loved ones live forevermore

## We Remember Fahimy

Fahimy posing and teasing Shannon.

Fahimy in school

Fahimy and Hector during their happy times.

Dear God,  
As I sit and often wonder about your mystical works, I often ask myself where will time lead? Will there be another puzzle or another solution? Will there be another heartache or restitution? I am speaking in behalf of Fahimy's plans and dreams — plans that were taken and dreams that were forsaken.  
I speak of the anger, torment, painful memories and animosity; anger caused by confusion, torment caused by erased plans, painful memories spent by joyful moments spent together and animosity caused by desertion.  
We remember Fahimy — lovable as a warm memory in a desolate time, her smile that luminated one's day and uplifted the spirit of the oppressed — her words that encouraged and abided in a troubled mind.  
From what I know, Father, Fahimy was God-fearing child of yours who was beginning to know the purpose of real living. We can only hope that her purpose on earth was fulfilled. She has touched many people — whether emotionally or spiritually, it is definitely permanent.  
It is written, "To Everything there is a season, and a time to every purpose under the heavens". We thank you, Father, for taking her out of this cruel and apathetic world, and for choosing her to be with you.  
We will always remember her smile and her irreplaceable personality.  
Your Servant,  
Hector J. Martinez

To Fahimy,  
Ever since that day you left me, all I can do is sit in the empty room that we painted together and think about all of the plans we've made — plans to raise our children together, plans to attend the same college, plans to fall in love at the same time and the constant plan to always be friends. In spite of all the sadness and heartache, I know that you are happy, and at peace; but through it all, I know that in return God will give me joy.  
Always A Constant Friend  
And I will always love you,  
Shannon

# Its Ticket To A Great Celebration

Yearbook Staff celebrating the end of a long and tedious job.

Simira Austin at her familiar spot, the word processor.

Dear Readers:

We have reached the end of our 1991 publication of the Lamp, and with this issue, my reign as yearbook advisor has also come to an end.

I will always cherish the memories that I derived throughout the eleven years, and will always keep the yearbook as a part of me.

There were many obstacles along the way, but I refused to let the devil steal my joy of working with my children.

I would like to thank the many editors and staff members; my colleagues who were so kind during the years; Mrs. Betty Summers for all the art work; Mr. Richard Alexander for his photography; Mrs. Agnes Maddox, Mrs. Roslyn Watson and other business teachers for the class coverages; Mrs. Bettye Tyson Senior Class Advisor and my dearest friend; Mrs. Gloria Pinckney, the best supervisor a person may have; Ms. Bonnie Levine of Josten's Publishing Company; Mrs. Shirly Vettters and Lorstan's Studios; Lakeisha Jones and Michele Sanders of Newark Evening High School; and the many students of West Side High. Now is the time for a change!  
Peace and love to all of you.

May God be with you always,  
*Mary H. Cato*
